### YESTERDAY'S GAMES.

NEW CASTLE, Pa., May 23.—Pardee pitched a masterly game, and was as accurate as a clock at critical stages. He gave out two bases on balls, and was hit by Boyd. The hitting was light, and the fielding especially so. The awful work of McCuskey and Wheeling four runs. The Stogies were fortunate in bunting a few hits in the seventh inning, when New Castle pitcher gave four bases on balls. McCuskey will pitch to-morrow, and expects victory has given the boys the confidence for the balance of the season. The score:

### BASE BALL COMMENT.

The news from New Castle pleased the fans decidedly. Pardee pitched a magnificent game and showed that he has regained the form he exhibited at the opening of the season. To-day's game will be interesting, as Lytle announces that he will try Stricklett again on the slab. At Youngstown two weeks ago he was knocked to all points of the compass, but since then he has been conditioned, and good work is now expected from him. With Kansas City last year he pitched better ball than Pardee. Poole, Pardee, Skoppe, Stricklett and Bates form a great pitching quintette, with Bowman available, if needed, June 1.

Columbus fans will hereafter have the unwelcome sensation of rooting for old "Battle Ax." Jack Glasscock was released by Fort Wayne to Columbus Tuesday morning, and he has accepted the terms of the local management. He has not yet received his formal release, but a telegram from President Mautner, received at noon, by Secretary Sid Hubbard, of the Fort Wayne club, sanctioned the deal, and the matter is practically settled. The famous old shortstop will play either first or second base and manage the team. Mr. Riley even has an idea that he may use him at third or short, but it will doubtless be found that the other side of the diamond is better suited to his present abilities. He will add the experienced judgment and knowledge of players which has been one of the deficiencies of the team. The old war horse said last night that he is in splendid physical condition and that his arm is as good as it ever was. He added that he was very glad of the opportunity to come to Columbus and that he would join the team as soon as his business affairs in Fort Wayne are arranged. Columbus Journal.

**CHEERFUL**

Cheerful? How can you be when your head throbs and beats with pain, and your back is ready to break? The trouble is you are being poisoned, poisoned with impurities in your blood. Take out these impurities and you will be all right. It's easily and quickly done.

**Ayer's Sarsaparilla**

makes the blood pure. This means everything: pure blood to the brain, pure blood to the stomach. It means new life, new hope, new cheer. We are not guessing at this. For 50 years we have closely watched what Ayer's Sarsaparilla will do. This long experience makes us speak very positively on these questions.

25¢ a bottle. All druggists.

Ayer's Pills cure constipation, sick headache and biliousness. 25¢ a box.

"Ayer's Sarsaparilla cured my boy of an eruption on his neck and around his eyes, beset the most terrible boils. For two years one of these boils was a running ulcer. The doctors could do nothing for it. One bottle of Ayer's Sarsaparilla cured the eruption, and five bottles cured the large ulcer on the breast. He is now well and strong."

Nov. 2, 1898. S. HAYES, Carrollton, Va.

#### BELLAIRE HAPPENINGS.

Matters of Interest in the Metropolis of Belmont County.

There is every prospect now that the new fifteen-ton tank at the Bellaire boiler works will run along smoothly, but the start yesterday was marred some by reason of the fact that the engine had given out the night before and the glass was chilled on the surface of the tank. Nearly a full force of blowers were at work most of the day, however, and they got to doing well toward evening and it is expected that by to-day things will be going along smoothly and well. This tank will yield just double the quantity of ware the furnace does and increases the working force in the factory in the same proportion. There is only a little over a month left of this season in which to work, but the management concluded to push right along so that any drawbacks might be overcome and all be in readiness for the fall business. They have considerable trade now to supply from the tank and more in sight, so that it will be operated right up to the time they are required to stop by the rules of the glass-works.

Mr. Everett Godfrey and Miss Clara Murray were married at the home of the bride's mother, Mrs. D. J. Murray, yesterday evening, by Rev. R. S. Coffey, pastor of the First Presbyterian church. The wedding was unostentatious, only the immediate friends of the families being present. The excellent young couple have the sincere wishes of all who know them, and they will at once go to housekeeping in their newly furnished home. Mrs. Murray will also make her home with them.

The Knights Templar will leave this evening at 6:30, sharp, on electric cars, to attend ascension services in the new Presbyterian church at Martin's Ferry. The wives and lady friends of members will accompany them, and Heatherington's full brass band.

The census enumerators are now preparing for their rounds and will ply the public with numerous questions, all of which are required by the authorities.

The funeral of William Blaney yesterday afternoon, under the auspices of the Odd Fellows, was largely attended. Some of the members of the Century Club will drive to St. Clairsville this evening, just for an outing.

J. M. Kellar is the representative of the Bellaire Knights of Pythias at Sandusky.

Mr. G. W. Ball is at Pittsburgh, called there by the serious illness of a sister. There will be a meeting of the Soldier's Relief Corps this evening.

Miss Lottie Kelly is home from a visit at Cleveland and Elyria.

The mayor's court was as quiet as a churchyard yesterday.
